

Job Announcement, Physics, beginning August 2009
(possible start date of January 2009, if available)

The **University of Wisconsin-Stout, Wisconsin's Polytechnic University**, invites applications for a tenure track position for Assistant Professor beginning August 2009, with a possible start date of January 2009, if available. A Ph.D. in Physics, Physics Education, Geology, Geoscience Education, Geotechnical Engineering, or a closely related field is required when contract starts. Applicants should have a strong potential and commitment to undergraduate teaching. Duties will include teaching introductory physics and geology courses. Seeking external funding for professional activities is desirable. UW-Stout is a laptop campus and willingness to use instructional technology in the classroom is required. Construction of a new science building is underway. Additional information can be found at <http://physics.uwstout.edu>. Applicants should send, via postal mail, a letter of application (with contact information for three references), vita, one page teaching statement and all undergraduate and graduate transcripts (unofficial acceptable) to Dr. Jo Hopp, Search Chair, 103D Science Wing, Jarvis Hall, UW-Stout, Menomonie, Wisconsin, 54751. No email applications will be accepted. Complete applications must be postmarked by September 15, 2008. The University of Wisconsin-Stout values diversity and strives to attract qualified women and minority candidates. EO/AA.
